

Extend frame outwards, ensuring velcro is not caught on any parts of the frame.

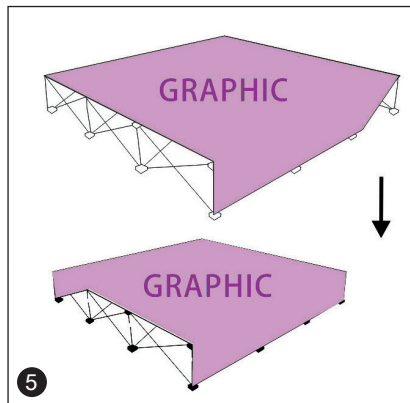

Align the green locking arms and click them into place. Repeat for all green locking arms.

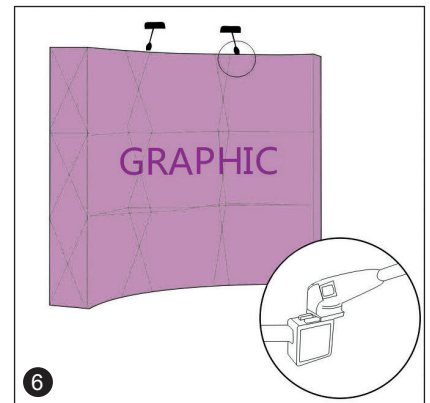

Graphic attaches to frame with velcro. Start in one corner and move on to the next.

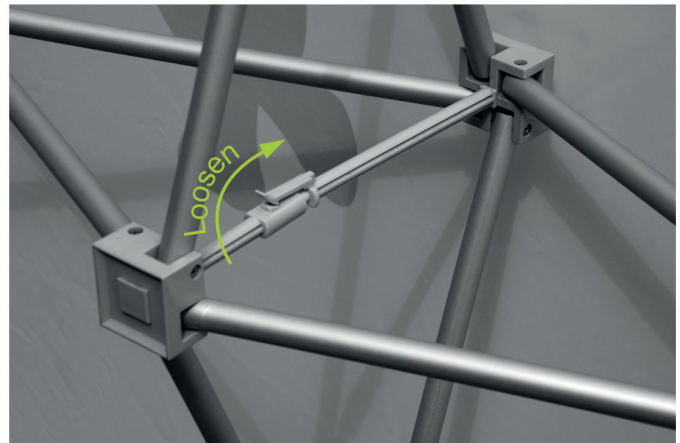

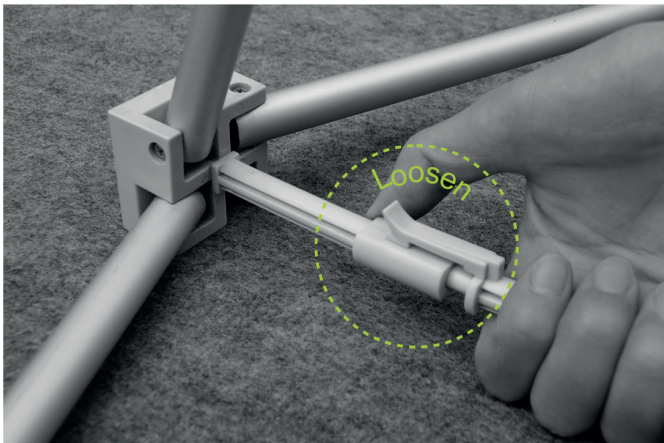

Graphic attachment is complete.

Pull end caps down to corner of frame and attach. Then attach other corner. Repeat on the opposite side.

If you purchased spotlights, attach them to the mounts on top of the display stand.

IMPORTANT: Before collapsing the frame, please ensure to loosen all the green locking arms.
